### Skyline earns Continental 2016 Vended Laundry Distributor of the Year award

Oshkosh, Wis.—Continental Girbau Inc. (Continental) recently recognized Skyline Equipment Inc. (Skyline) with its 2016 Vended Laundry Distributor of the Year award, an honor that distinguishes distributors for outstanding performance in the vended laundry market.

“Skyline is committed to vended laundry development and it shows in their work,” said Continental Vice President of Sales Joel Jorgensen. “The high-performing distributorship has traditionally shined in the on-premise laundry market. Recently, however, they’ve successfully reinvented themselves by investing in and growing their vended laundry market capabilities, expertise and sales.”

Skyline has provided on-premise and vended laundry equipment distribution for more than 40 years. A veteran company, Skyline offers a full array of laundry consulting services, parts and equipment to benefit customers within their Texas territory. Operating from a 10,000-square-foot facility, Skyline is known for its large parts inventory, quick turn-around and quality service.
